

# Community-Response Driven Urban Forestry

**Lisa Simms, Executive Director**

**Lsimms@NJTreeFoundation.org**

**[www.njtreefoundation.org](http://www.njtreefoundation.org)**

# Camden, Newark & other NJ Cities

**Royden Street,  
Camden 2002  
before trees**

**Royden Street,  
Camden 2002 after  
trees**

## Royden Street, Camden 2017

## Our Process

- ~Application
- ~Site visit
- ~Signatures
- ~Community Meeting
- ~Concrete cut
- ~Trees planted
- ~Tree care cards
- ~TreeKeepers
- ~Advanced pruning & maintenance if funding allows

# Other components/Starting Places for Urban Forestry

**Fruit trees = food security**

**Green infrastructure = help with flooding**

**Rain garden tree pits**

**Green infrastructure & trees**

**Green infrastructure, rain gardens, vacant lot stabilization & beautification go hand-in-hand with urban forestry.**

Thank you!
